Teams arriving at Schiphol airport

Please take the train to [Naarden-Bussum](#) station. The NS train station is located directly below the terminal building. From the arrivals hall, follow the 'Trains' signs to Schiphol Plaza.

You can use your contactless debit/credit card or mobile phone to check in and out. Alternatively buy a ticket from the yellow ticket machines. Always check in and out by swiping your card/ phone on the yellow card readers!

Please use the NS Travel Planner app, that you've been sent, to plan your journey from Schiphol Airport to Naarden-Bussum railway station. We recommend taking the direct route, which departs twice per hour usually from platform 1-2.

Who to contact?

Upon catching your train please whatsapp [Marlies](#) at [+31646808991](#):

- what time you are departing/ arriving
- how many people
- which team

Marlies will make sure you are met by a Spot on Dutchie who will drop you to your accommodation.

Spot on Dutch tournament format

Our tournament includes two divisions to suit both competitive and social players; both run alongside each other.

Competitive games - structured matches, proper hockey rules and a championship at stake.

Social games - The Mixed Hagelslag Cup; a fun, non-competitive cup for those who want to enjoy the game in a relaxed, friendly environment and make new friends.

Competition

The playing schedule is attached, but is subject to change. Matches are 25 minutes. We provide umpires who are helping us out voluntarily; please treat them with kindness and respect.

The Mixed Hagelslag Cup - more than just a hockey tournament; it's a social event in disguise!

This non-competitive cup brings together mixed teams of ladies and men. Teams are randomly mixed from three teams, so every game is a fresh combo and a chance to meet new people.

Whether you're here to show off your hockey skills or just want to have fun and maybe scout your dance partner for later 😊 - this cup is all about connection, fair play, and good vibes.

Quick and friendly rules of The Hagelslag Cup:

- Each team must include a **minimum of four women** (11 players total)
- Keep it safe: no high balls
- Goalkeepers optional. Goalies can also be field players if they fancy
- No referee needed - we trust in fair play
- Games last 20 minutes - just enough to break a sweat and make a new friend
